Technical Data Sheet

Calgonite Bleach

GENERAL DESCRIPTION:

CALGONITE BLEACH can be used for sanitising all surfaces, especially when an extended residual contact time is preferred. **CALGONITE BLEACH** is fast acting and has a broad spectrum kill. **CALGONITE BLEACH** has been stabilised by careful control of the alkalinity and at the recommended dosages is effective against a wide variety of commonly encountered bacteria, e.g. Staph Aureus, Salmonella, Streptococci, E Coli, Pseudomonas, etc.

DIRECTIONS FOR USE:

CALGONITE BLEACH can be used as supplied for sanitising toilets, urinals, etc. Dilute 2 – 5 ml to 1 litre for general sanitising of hard surfaces, such as floor tiles. If the surface is to be used to process food, rinse the surface thoroughly with water after the surface has been treated with **CALGONITE BLEACH** and before food or food-processing equipment is placed on the surface**.**

PRODUCT INFORMATION:

Appearance	**:**	Clear, pale yellow liquid
Density at 20ºC (Typical) :		1.04 kg/1
Available Chlorine	**:**	2.8 – 3% when packed
pH (Neat) (Typical)	**:**	12.5

HANDLING AND SAFETY:

Please refer to product Material Safety Data Sheet.

SIZES:

CALGONITE BLEACH is supplied in 4x5 litre cases.

USE OF THIS TECHNICAL DATA SHEET

This Technical Data Sheet complements and should be used in conjunction with the appropriate Safety Data Sheet. The information and recommendations given above are, to the best of the company's knowledge and belief, accurate and reliable as of the date issued, but are offered without guarantee or warranty and do not form part of any specification, except where otherwise stated. They are given solely for guidance in appropriate handling and use of the material. They relate to the specific material designated and may not be valid for such material used in combination with any other material or in any process. Conditions of use of the material are under the control of the user, therefore it is the user's responsibility to satisfy himself as to the suitability of the material, and the suitability and completeness of this information, for his own particular use.
