

Good Sense Vert (aerosol spray)

03b

Good Sense Vert, air freshener and odour neutraliser - instant action

Description

Good Sense Vert aerosol spray has been developed to solve the day to day odour problems in a building. Easy, convenient and safe to use, Good Sense aerosol sprays are the ideal solution to effectively solve odour problems in areas such as public areas, bars, hotel bedrooms, restaurants, offices, washrooms, etc.. The fragrance contains the Odour Neutralising Technology (O.N.T technology), which destroys at source and chemically neutralises unpleasant odours and is effective against a variety of malodours such as urine, body odours, smoke, mould and mildew.

Key properties

- Based on the patented Odour Neutralising Technology (O.N.T.)
- High perfume concentration
- Choice of five different fragrances

Benefits

- Does not mask malodors but chemically destroys them to enhance the perception of the chosen fragrance
- Ideal to select the right atmosphere at the right place and at the right moment
- Very economical due to compressed fragrance concentrates

Dosage

The Good Sense Vert aerosol spray is ready to use.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*
