## Bryta Oven & Grill Foam Cleaner

Heavy duty aerosol spray  
oven and grill cleaner

- Highly effective formulation
- Handy aerosol spray
- Easy to use

### Description

Bryta Oven & Grill Foam Cleaner is a powerful cleaning foam product suitable for cleaning ovens and grills in kitchen and food preparation environments. It is specially formulated to remove grease and stubborn baked on deposits from oven interiors and grills.

Packed in a handy size aerosol for easy application, Bryta Oven & Grill Foam Cleaner is the convenient way to cut through grease, leaving ovens and grills clean and smear free.

Bryta Oven & Grill Foam Cleaner is ideal for everyday use and is formulated for use on both cold and warm ovens and grills. There is no need to preheat. To use the product efficiently, just spray on, rinse, then wipe clean.

# Bryta Oven & Grill Foam Cleaner

Bryta Oven & Grill Foam is the handy and convenient way to remove grease and baked on deposits from ovens and grills.

## Use instructions

- Wear appropriate personal protective equipment.
- Spread paper under oven door to protect floor.
- Spray generously, 9-12 inches from the surface to be cleaned.
- When spraying is complete, close oven door and allow the product to work for 20 minutes.
- Rinse well and ventilate oven before re-using the oven.

## Top tips

- Shake well before and during use. Hold can upright at all times.
- Do not spray on oven trim, door seal, pilot light or heating elements.
- Do not use on self-cleaning or microwave ovens, exterior surfaces, chrome, aluminium, plastic or polished surfaces.
- Do not use outdoors.
