

Shield Toilet Descaler

Heavy duty limescale remover for toilets

Benefits

- Removes heavy limescale, rust marks and uric acid stains
- Ideal for use where heavy limescale and hard water is a problem
- Odour Neutralising Technology neutralises unpleasant odours
- Thickened formulation uniformly coats and clings to the surface for easier cleaning
- Descales, cleans and disinfects
- Suitable as toilet renovator and descaler
- Directional nozzle for easy application
- Not suitable for chrome and stainless steel

Description

Shield Toilet Descaler is a tough, thickened acid toilet cleaner specially formulated to remove really stubborn limescale and stains. ONT molecules combine with and trap the nitrogen and sulphur compounds in the malodour. Remaining Neutrafresh molecules create a fresh, long-lasting fragrance, providing a constant reminder that surfaces are clean and safe.

Use instructions

- Wear appropriate personal protective equipment
- Flush toilet and reduce the water level by forcing the water around the s-bend with the toilet brush.
- Check that the waste outlet is clear on urinals, if applicable.
- Direct the angle nozzle under the toilet bowl rim and evenly over the surface of the toilet or urinal.
- Leave for 5 minutes to allow to work.
- Brush the toilet bowl or urinal paying particular attention to cleaning the toilet bowl rim and below the water line.
- Flush the toilet. Leave the urinal to flush automatically. Rinse brush after use.
