

TASKI® Tapi Gum

Chewing gum remover

Description

Aerosol freeze spray for chewing gum removal.

Key properties

- Freezes the chewing gum to be removed
- Does not contain CFCs
- Endorsed by the Woolsafe Institute

Benefits

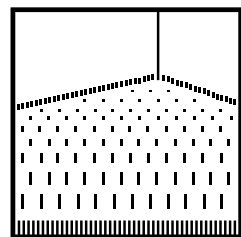

- Effective, fast and total elimination of chewing gum from carpets without damaging the fibres
- Safe to use on any carpet types including wool.

Use instructions

1. Insert the tube into the spray head valve.
2. Spray directly onto the chewing gum and immediately scrape off using a plastic scraper to avoid fibre damage.
3. Remove frozen pieces e.g with a vacuum cleaner and repeat treatment if necessary. Immediately after application.
4. The product might leave a frost spot which will disappear after a few minutes.

Dosage:

Ready to use, no dilution required.
