

Toilet & Urinal Cleaner Soluble Sachet

Cleanline® Eco Toilet & Urinal Cleaner soluble sachet is a viscous cleaner with a pleasant fragrance for the effective removal of limescale and organic deposits from toilets and urinals

- Viscous formula uniformly clings and coats surfaces to increase contact time and improve cleaning performance
- Safe to use on a variety of hard surfaces including porcelain, stainless steel, ceramics, and chrome surfaces
- Regular use will help prevent limescale build-up where bacteria breed
- Effective in hard to medium water conditions and leaves a pleasant fragrance
- Prepared solution has no health or environmental hazards in use
- No dosing equipment required and minimal storage needed
- Biodegradable and compostable packaging, no single-use plastic
- No chemical contact, eliminating risk of spillages and skin/eye contact
- Lightweight and easy to handle, reducing strain on the user
- Control costs and eliminate overdosing with an easy one-dose sachet
- Product has a low carbon footprint as water is added at the point of cleaning
- 95% reduced packaging compared to ready-to-use products
- Formulations are Vegan Society approved – no animal testing or animal-derived ingredients
- The pre-dosed soluble sachet is easy to prepare and use, simply add 1 sachet to a 1 litre Cleanline **T10** Toilet & Urinal cleaner reuse and refill bottle
