

FLOOR CLOTH WASHABLE

Floor Cloth is a highly absorbent, quality product suitable for various uses. Each cloth absorbs up to ten times its own weight in water and is superb for washing/polishing tiles, linoleum and wood surfaces all over the house, is a highly effective fridge/freezer cloth;

Simply place the product at the bottom of your fridge when defrosting and it will absorb all the moisture without creating large puddles on your floor.

Floor Cloths are machine washable and impervious to strong household detergents. They will not retain offensive odours. Each cloth is generously sized, soft and strong and comes in an attractive bright lemon colour.
