

Est-eem[®] R.T.U.

Cleaner sanitiser

Ready-to-use, multi-purpose unperfumed disinfectant cleaner. Effective against a range of bacteria and enveloped viruses.

Passes EN 1276 with a 30 second contact time.

Passes EN 16777; effective against enveloped viruses e.g. Coronaviruses with a 1 minute contact time.

- Removes general soiling from a variety of hard, washable surfaces.
- Recommended for a variety of hard washable surfaces and equipment and wherever there is a risk of infection.
- Ideal as part of a hygiene programme to ensure compliance with food safety regulations.
- Also passes EN 1650 and EN 16615 and EN 14476.
- Available in a 5 L concentrate for extra economy.

DISINFECTING HARD SURFACES AND EQUIPMENT:

Clean surfaces before disinfection.

Apply to surface by spray or clean cloth. Leave on surface for the required contact time (see label). Wipe with a clean cloth and allow to air dry.

Food contact surfaces must then be thoroughly rinsed with potable water.

To prevent chemical build up, surfaces should be periodically washed. To refill bottle, please refer to Est-eem 5 L label or information sheet.

USE DISINFECTANTS SAFELY.

ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.

750ml

Order Code: A148AEV

Pack: 6 x 750ml (5.14 kg)

Pallet: 90 Packs
