	Sheet	48.00	x	38.00			Length x Width(cm)	

Product Description

Certain controlled tasks require very specific wiping products and dispensing systems. With this in mind, we applied our expertise and wiping technology to create a premium-quality task-specific range that can help maximise efficiency and productivity while reducing wiping and solvent costs. KIMTECH® Absorbent Z Fold Towels are designed to be strong, low-linting and ideal for use with chemicals. They are specifically engineered for applications involving solvents, paints and inks. The wipers are packaged in a splash-proof, water repellent polybag, giving you immediate access to hygienically protected folded sheets. Individual sheet size 48cm (L) x 38cm (W). 16 bags x 50 Z Fold sheets, white (800 total)

Product Features

- 16 x 50 white Z Fold sheets (800 total)
- Help maximise efficiency and productivity while reducing wiping and solvent costs
- Engineered for critical applications involving solvents, inks and paints
- Packaged in a splash-proof, water repellent polybag
- Ideal for wiping tasks where low-lint or use of chemicals is required
