QUALITY ASSURANCE:

All Huhtamaki, Inc. U.S. facilities have fully implemented HACCP programs which meet FDA and AIB guidelines. Huhtamaki HACCP programs include corporately mandated minimum standards for prerequisite programs which include Chemical Control, Customer Complaint, Product Recall, GMP, Pest Control and Product Safety Programs.

In addition, Huhtamaki facilities follow strict FDA and AIB guidelines for Good Manufacturing and Standard Sanitation Practices and our facilities undergo third party sanitation inspections throughout the year. We consistently achieve the highest possible rankings from recognized authorities such as the American Institute of Bakers (AIB). We Fully meet all food safety and quality requirements as a packaging supplier.

PROPRIETARY INFORMATION
