

## Hand dishwashing detergent disinfectant

### Description

Suma Star Des D1.55 is a concentrated detergent disinfectant for cleaning and disinfection of all items washed in the sink and for hard surfaces in food premises.

### Key properties

Suma Star Des D1.55 is a concentrated liquid detergent disinfectant which cleans and disinfects all surfaces in one step. The product is suitable for cleaning and disinfection of all items in the sink and for all surfaces in food premises. The combination of QAC, and PHMB, sequestrant and the buffer system makes this product very effective against a wide range of microorganisms. The formulation also contains surfactants, which makes the product suitable for one step cleaning and disinfection.

### Benefits

- One product to clean and disinfect
- Cuts through grease and dried-on food
- Effective against a wide spectrum of micro-organisms, helping to improve hygiene security
- Effective in all water conditions

### Use instructions

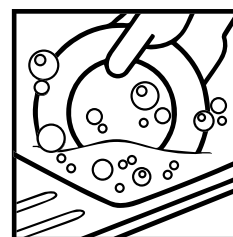

#### Sink cleaning and disinfection:

1. Dose the product at minimum recommended dosing: 5ml/l\* into hand warm water.
2. Soak items to be cleaned and wash them with cloth, brush or scouring pad.
3. Leave for at least 5 minutes.
4. Rinse with water and allow to air dry.

#### General cleaning and disinfection:

1. Dose the product at minimum recommended dosing: 5ml/l\* into hand warm water.
2. Remove gross soiling.
3. Clean surfaces with cloth or brush.
4. Leave for 5 minutes.
5. Rinse food contact surfaces thoroughly with clean water and allow to air dry.

For heavily soiled areas pre-clean the surfaces.
