

Chewing Gum Remover

Cleanline® Chewing Gum Remover is a powerful cleaner developed for fast and efficient removal of chewing gum and sticky label marks.

- A powerful chewing gum remover recommended for interior use on all types of hard flooring, carpets, furniture and upholstery.
- Designed to breakdown the stickiness of the gum rather than destroy the gum, allowing the gum to be removed gently without causing damage.
- Formulated to release the adhesion of the gum without damaging the surface.
- Also effective at removing spirit gum, fly poster glue or sticky labels or where any type of adhesive has left a mark.
- Ideal for safely removing glue marks from all surfaces including fabrics, carpets, painted street furniture, paving slabs, brickwork, concrete etc.

RECOMMENDED DILUTION

Use neat as supplied from the trigger spray bottle.

ENSURE YOU ARE WEARING RECOMMENDED PERSONAL PROTECTIVE EQUIPMENT (PPE) AND HAVE THE CORRECT EQUIPMENT FOR THIS TASK.

INSTRUCTIONS FOR USE

Removing Chewing Gum: Apply direct to contaminated area and allow up to 5 minutes contact time. If the surface has hardened to form a crust, scratch with a blunt knife to enable the product to penetrate soiling. Carefully scrape up the softened residues and then gently scrub the area with a nylon brush dampened with Chewing Gum Remover and wipe with a clean cloth.

For heavily soiled pavement areas, it is recommended that a steam cleaner or pressure washer be used to wash down after spot treating with the chewing gum remover.

Stick Labels: Apply directly to the area and allow contact time. Scrape off the softened label and using a soft cloth, nylon scouring pad or plastic scraper. Wipe the area clean with a cloth dampened with Chewing Gum Remover.

TEST MATERIAL COMPATIBILITY IN A SMALL, INCONSPICUOUS PLACE BEFORE USE.

CODE AND CASE SIZE:

CL4002 - 750ml (supplied in case of 6)

PRODUCT INFORMATION:

Appearance: Clear liquid

Odour: Lemon odour

Viscosity: Non-viscous

pH as supplied: >11.5
